Current Event Assignment

Each student will be responsible for one current event per quarter. When your due date is approaching (check the Current Event board), grab one of these sheets and find an article.

Use this sheet as a guide for preparing your current event summary. Complete this sheet by answering all of these questions.

After each question is answered, Use a separate sheet to write or TYPE an organized summary of the article/event. Staple this sheet and the summary sheet together and turn in for a grade.

1. From what source did your current event come from? If the news came off the Internet, please name the site. If the news came from the TV, please list the network it came from.

2. What date did you gather this information, or what date was the article written?

3. Who does this current event involve? List any and all groups or individuals that are important to this current event.

4. What event does this current event involve? Explain with as much description that are important to this current event.

5. Where does this current event take place? If it takes place in more than one area, please include all areas.

6. When did this current event take place? State the time, day, month, and year if possible.

7. Why did this current event take place? You will have to listen or read carefully!
